

IPOINT DATA SHEET

CONNECT PRO Case and Stations

WIRELESS CHARGING & MOUNTING SYSTEM

With our all-new comprehensive selection of stationary and removable CONNECT PRO solutions, we introduce next-level charging technology that can be simply executed through a single Cat5 cable with CONNECT PRO PoE+.

THE SYSTEM

CONNECT PRO is the completely redesigned system for holding, charging, and protecting iPad. This direct replacement for IPOINT LAUNCH includes the familiar components: BaseStation, WallStation, and Case, now with an optional CONNECT PoE+ Upgrade. The electrical charging enhancements and a uniquely modular design provide a powerful and more flexible charging capability that supports all iPad models, including iPad Pro.
